THE THREE WE WOULD NOTICE MISSING

Picture the day with one thing removed. If the room would feel it, it goes here. Mark those rows Great below.

Total, optional _____

THE SPLIT

The usual share is printed faintly. Circle one: Great, Fine, Skip, in that order. Great rows take about 1.4 times the usual share, Skip rows 0.6, and the rest give or take so the shares still add to 100. Amount is the total times the share. Left is amount minus booked.
